## **Brite ranked on the Inc. 500/5000 List**

**Now, six-time honoree after three-year revenue growth**

ROCHESTER, N.Y., WEDNESDAY, AUGUST 12, 2020 – Brite is pleased to announce that it is once again a Inc. 5000 honoree, ranked 4964th on the 2020 Inc. 500/5000 list. The annual list recognizes the fastest-growing private companies in America.

Justin Smith, Brite’s President and COO, said, “To be ranked on the Inc. 5000 list for a sixth time is truly an honor for an Upstate New York small business like Brite. It’s a direct reflection of Brite’s continued growth and success, not only for revenue, but also our growing staff, services and partnerships.”

Brite’s three-year revenue growth of 56.06% stems from three business-units: Cyber Security, Public Safety and Managed Services. The Cyber Security and Public Safety units focus on fitting organizations with the right technology to meet their needs. While the Managed Services offerings allow organizations to outsource IT and cyber security initiatives.

### **About the Inc. 5000**

The 2020 Inc. 5000 is ranked according to percentage revenue growth when comparing 2016 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2016. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2016 is \$100,000; the minimum for 2019 is \$2 million.

### **About Brite**

People and technology are at the core of everything we do. The Brite team is committed to proactively protecting communities and organizations through innovative technology solutions delivered by our talented team. We recommend thoroughly evaluated industry-leading technologies and pair them with proven processes to assist our clients in effectively achieving their goals and objectives.
